

Declaration of Responsibility for Packet A Projects

Pursuant to the Hendricks County Storm Water Management Ordinance, an individual building lot containing less than one (1) acre of land is required to complete this Declaration and comply with said Ordinance which enforces 327 IAC 15-5-7.5 ("Rule 5") within the local MS4 Area.

Individual Lot Owner: _____

Owner's Agent: _____

Address of Lot: _____

Located in subdivision _____ which was developed by
_____ under Permit No. _____.

As the Individual Lot Owner or Owner's Agent named above, I indicate with my signature below that I accept responsibility for stormwater erosion and sediment control on the above described lot. This responsibility includes acceptance of ownership and maintenance of the stormwater erosion and sediment control best management practices (BMPs) currently in place on the lot and/or any other BMP necessary to comply with 327 IAC 15-5-7.5, including but not limited to:

- 1) A stable construction access.
- 2) Perimeter erosion and sediment control measures in place prior to land disturbance.
- 3) Minimize sediment tracking & discharge from the lot.
- 4) Street and drop inlet protection.
- 5) Repair and stabilize any adjacent property disturbed during construction herein permitted.
- 6) Other:

The Hendricks County Surveyor's Office must be notified 48 hours before construction starts, and again when the site has been completely stabilized.

I understand this Declaration is enforced through the Hendricks County Surveyor's Office and violations may result in a pending stop work order, stop work order, fines and/or further action described within the cited Ordinance. As the responsible permit holder, I will advise and direct persons engaging in construction activities on this site of these requirements and accept responsibility for actions or violations thereof.

Dated this _____ day of _____, 20__.
